This varied easy hike combines the best of Tegernsee: scenic trails above the lake, the lively lakeshore with its cafés, restaurants and shops, and beautiful views of the surrounding mountains. Starting at DAS TEGERNSEE, the circular route initially follows the Tegernsee Panorama Trail northwards before descending towards the lakeshore and continuing through Tegernsee. Via the Point and Großer Paraplui, the trail then climbs back up to the Panorama Trail and returns to the hotel.

Roadbook

The hike begins directly at DAS TEGERNSEE and initially follows the Tegernsee Panorama Trail northwards.

From the very beginning, you can enjoy beautiful views across Lake Tegernsee as the trail leads through peaceful landscapes above the town.

After the northern section, you reach Sankt Quirin.

From here, the route continues towards Tegernsee and eventually descends to the lakeshore. The character of the hike now changes: instead of forests and panoramic trails, the focus shifts to the water, the town and the lively atmosphere around Lake Tegernsee.

Following the lakeshore, the route leads through Tegernsee towards the south. Along the way, there are plenty of opportunities for a short break or spontaneous stop. Cafés and restaurants invite you to linger, while shops, boat rental stations and the landing stages give you a sense of the vibrant life around the lake. Beautiful views across the water towards the mountains on the opposite shore open up time and again.

At the southern end of the route, you reach Point, a small peninsula that is particularly inviting for a short break with views across Lake Tegernsee. From here, you leave the lakeshore and follow the trail back towards the Tegernsee Panorama Trail.

A short but somewhat steeper ascent now leads to Großer Paraplui. The viewpoint rewards the climb with beautiful views across Lake Tegernsee and the surrounding mountain landscape. From here, the trail continues along the Panorama Trail towards Tegernsee.

The final section once again leads through the town. A relaxed walk through Tegernsee brings you back to DAS TEGERNSEE, where the circular hike comes to an end.
