Roadbook

The tour begins directly at Hotel DAS TEGERNSEE,

initially following the access road uphill. After a short while, you leave the road behind and continue along well-signposted forest tracks towards Neureuth. The ascent winds through peaceful, shaded mountain forests and is technically straightforward. Some sections are fairly steep, requiring a good level of fitness, particularly on the steeper passages. In return, beautiful views across Lake Tegernsee open up along the way. With an e-bike, the climb can be enjoyed at a particularly relaxed pace.

After around one hour, you reach Neureuth, beautifully situated on a sun-drenched plateau high above Lake Tegernsee. Its spacious terrace offers one of the most captivating views in the region and provides the perfect setting for a well-deserved pause.

The return journey follows the same route, leading gently downhill through the forest and back to Hotel DAS TEGERNSEE.
